The Horiz of Mecklenburgh (which is derived from the Vandal Princes, who, joining with the Goths, fruck Ter-rer heretofore into the Roman Eagles, and carried their victorious Arms into Italy, Gaul and Spain) is divided into two Branches, the Descendants of Albeat and John, Sons of Henry Leo, Prince of the Vandals, who reigned in the Beauting of the talk Command and meet regimed into the gioning of the 25th Century; and were received into the Number of the Effates of the Empire, where they have Seats in the College of Princes, by Charles IV. who began his Reven in 1547. They are diffinguished by the Titles of Mecklenburgh-Schwerin, and Mecklenburgh-Strelitz, which they take from the Cities of their Refidence. The Princes of this flowly were disconfigured of this Father in the Resin of this House were dispossessed of their Estates in the Beginning of the last Century, by the Emperor, who gave them to Wallesein a Silesian (who came to a miserable End) but replaced in 1631, by the victorious Arms of their Coufin-german, the Great Gustavus of Sweden. Their Country, which is about 100 Miles long, and 60 broad, lies in the Cir-cle of Lower Savony. It hath Holitein and Saxe-Launen-being on the West, the Baltic Sea on the North, Pomerania on the East, and Brandenburgh on the South. A German, who whose in the last Century, remarks that the House of Mecklenburgh had had in Marriage, within less than 200 Years, six Daughters of Kings, and five of Electors. It is the Dake of Mecklenburgh-Schwerin whose Country is now

- inlatting for his taxouring the Enemies of Pruffia.

L. O. N. D. O. N.

July 10: We hear that in the Draught of the new Treaty of
Prace between England and France, what Lands are to be underfired by Canada and Lewifiana, are pointed out in a mift clear and press! Manner, by their Latitude and Longitude from Points, and not left to be determined afterwards, as the French shall think priers, bursee find that this Precaution was not thought of in the Negociations of Utreekt, webich Neglets eccoffuned all the Abereation and wisedjhed that hath fince happened on Account of America.

of America.

No ne private Letters from Paris import, that the Court having great Expeditioners of a speady Visit from the British second Fundation Flore on their Coast, had ordered all the Forces they could pure at this Time, to the several Parts and Places the most adjunctly.

It is now pretty considertly said, that the principal Difference remaining to be adjusted between our Court and that of France, is, that the laster is labouring to make a sparate Peace with Great-Britain, whisse our Court thinks it would be better to make a spenied one, and sythat Means put a Stop to the Essay on of Civil-Bertain, subilli our Court thinks it would be better to make a ge-neral one, and ly that Means put a Step to the Efficien of Civif-tian Blood, which too probably will not be effected by a separate

Peace.
It is faid, that the Preliminaries for fetting on Foot a Treaty
of Peace at Aughburg, between the feweral Pewers at War, kaving been transmitted other, the same are now under Consideration,
so that it is expected a definitive Resolution will be taken in a

for that it is expected a definitive Resolution will be taken in a sow Days.

Vast Preparations are making for the Earl of Egremont's Appearance at the Congress. It is said be will be attended by Noblemen and other Persons of Distinction, to the Number of 200, on his Entrance into the City of Angsoung.

Yesterday there was a numerous lower as St. James's, amongst which were several of the foreign Ministers, to compliment his Mighty on his intended Marriage.

The Tacht which Saided a few Weeks since, from Depisord, and brought over M. Bereel to England from Helland, it is said carried two Persons of Rank to Hamburgh, from whence they proceeded to Mecklenbargh, to execute a Commission of great importance, the Rejaut of which may neve be easily quessed at.

We are never told, that the Marriage of His Majesty is to be on the 6th of September, and the Coronation on the 22d of the same

6th of September, and the Coronation on the 22d of the fame

the 6th of September, and the Coronastion on the 22d of the jame Month.

July 11. By Litters from Belleisse we learn, that Commodere Keppel had received Advice, that 8 French Men of War and Frences were at Roch ort, endeavouring to put to Sea; but that he had just a dis Fleet in such a Manner, as would prevent their Junition with those at Bress; when joined they were to fail to Martinice, for the Security of that Island.

It is said that the Soldbay and Budesord Men of War have falien in with a Fleet of Prantes, or statemed Boars, going from Dunkirk to Foologies, some of which they took, and drove the rest as many wounded, with little or no Loss on our Side.

On Ibussay the Earl of Harcourt waited on the King at St. James's, when, we hear, his Majsty was pleased to nominate his Lordon to that Princess.

Jami's, week, we tear, the Majely was pleafed to reminate his Lordfeip to conduct the Princes of Mecklerburgh Strelliez to England; and at the same Time to appoint him Master of the Herse to that Princes.

By a Letter from on hoard one of his Majesty's Ships off Bresh, dated the Enginning of this Month, we are informed, that there are in Bresh Water six Line of Battle Ships and three Frigates, apparently ready to sail; and that we have ten Ships of the Line and some Frigates, weatching their Mastons.

Extract of a Letter from Portsmouth, June 30.

"Last Thursday Night we had the most dreadful Storm of Thunder, Lightning, and Rain, that has been known in the Memory of the eldest Man living. The Waters from the Sudianness of the Rain, rese near two Feet perpendicular above the Level of the Ships, so that we were under Water several Hours, and suffered considerable Damage.

"On Monday 50 Convists taken by a French Privateer, on their Passage to America, and retaken by his Majesty's Ship Wager, were landed here, and being put into Waggons, set out for London, escorted by a frong Guard.

"We hear that three Ships of the Line are sailed from Bellish, to jain Lord Colvill at Halisax."

July 14. The stesses the Colvil of the Commany have three great Points in View.

July 14. The freshest Advices from Frankfort continue to aslert, that the French in Germany have three great Points in View. The first to deliver the Bishoprick, in or-der to proceed to an Election, and to render Paderborn a Place of Arms; the Second, to penetrate into the Electorate of Hanover; and the Third, to march 40,000 Men into the Principality of Halberstadt, to convince the Imperialist; that they are ready to concur in the utter Destruction of the King of Prussia.

Letters from Rochelle of the 6th past, advise, that on the

3d an English Fleet of 6 Ships, 3 Frigates, and 4 other Ships, anchored within Cannon-shot of the Isle of Aix; that they were employed in founding in the Neighbourhood of Rochelle, and the Isles of Rhee and Oleron; that on the 5th a Dutch Ship left Rochelle, the Pilot of whom was examined by the English: At his Return he informed the Rochellers of their Strength, and that besides the Ships above-mentioned, three more were stationed beyond the Isle of Rhee; and they

conclude with telling us, that they have in that Island fix Battalions under the Chevalier d'Aulan, on whose Bravery

and Prudence they can depend.

A Letter from Munster, dated the 4th, mentions positively an Action between the Conjunct Army of the Allies and that of Prince Soubife, to the Advantage of the former, who are faid to have made 1420 French Prisoners on the Field of

His Prussian Majesty is at prosent encamped in the Mountains, in order to have it the more in his Power to reinforce his Armies on the Frontiers of Poland in Pomerania and on the Marche of Brandenburgh; as a Delay of any thing deci-five, for three Weeks, will, in the Opinion of the ableft Politicians, extricate his Majesty from most of his Difficulties, and turn them perhaps upon his hitherto implacable Enemies.

The Carolina Yacht fell down the River this Day, or

was expected so to do, to receive some grand Personages on board, going to the Court of Mecklenburgh: It is said this will be followed in a Day or two by the Fubbs Yacht, and that they will sop in the Downs.

The young Count de Bruhl and M. Cauterbach, Plenipo-

tentiarits from the King of Poland, fet out the 7th Inft.
from the Hague for the Congress at Augsbourg.

It is faid that the Rt. Hon. the Earl of Harcourt is to be with the Princes of Mecklenburgh on the 1st of August at fathef, and that he is to flay there two or three Days, and then fet off with her Highnels for England; after which the Marriage will be celebrated as foon as her Highnels's Cloaths

Apartments, we hear, are ordered to be got ready in his Majesty's House at Greenwich, for the Reception of the Princess upon her Arrival in England, till the Solemnization

Princess upon her Arrival in England, till the Solemnization of the Matrimonial Rites.

A Letter from Ramsgate, dated July 11, says, "We just now hear that two of our Cutters from the Downs, which were looking after the Enemy on the French Coast, fell in with a French Frigate, who sunk one of them and all the Crew were lost; the other has got safe back again."

Yesterday the Heralds and Pursuivants at Arms, preceded by the King's Marches Marc

by the King's Marshals Men, the Drums and Trumpets of his Majest's Houshold, and a great Number of Constables, made Proclamation at Westminder, Temple-Bar, and the Royal Exchange, that the King's Coronation would be following the acid of September next.

Since our Conquest of Canada, we are, in a great Mea-fure, become the Furriers of Europe: And we can affure the Public, that large Commissions are sent here from Flanders for Beaver, and various other Skins, to fupply France, and other Parts, and that we even export this Produce of North-America to Ruffia, as that Country confumes more of fome Kind of Skins, and of better Quality than itself assords.

Lord Stormont, late British Minister at the Court of War-

faw, passed through Prague the 26th pass, going as one of our Plenipotentiaries to the Congress at Augsbourg.

The Rt. Hon. Sir Joseph Yorke arrived here Yesterday from the Hague. We hear he will return back to Holland

in a few Days, and proceed immediately from thence for the

Congress at Augsbourg.

They write from Hamburgh of the 7th Inst. that Count Peper, Mess. Gyllenburg de Nolchen, de Klenckaustrom, and Secretary Eckman, passed through that Place from Stockholm, Plenipotentiaries from the Court of Sweden to the

holm, Plenipotentiaties from the Court of Sweden to the Congress at Augsbourg.

A Gentlana who was till lately an Inhabition: of Resleck, in the Dukidom of Mecklenburgh, informs us, that the Princess Charlotte, our intended Queen, whem he has often seen, is a Princess greatly estemed there for Picty and exemplary Humanity and Benewelence: Her Person graceful and handsome, between the two Extremes of Talkess and its contrary; of a very pleasing Mein, grave and grand Deportment, intermixed with much unassisted Assability and Composure of Mind:—A proper Match for so graceful, good, and great a Monarch, as the British King, GEORGE THE THIRD.

BOSTON, September 14.

On Saturday last three Men passed through this Town on their Way to Newbury, and inform,

Town on their Way to Newbury, and inform, that they lately belonged to a Vessel commanded by Capt. Nicholas Tracy, of that Place, but were taken on their Passage to the West-Indies, in Latitude 23, by a French Privateer Sloop of about 70 Tons, Bermuda built, and an extraordinary Sailer, of 10 Carriage Guns, 3 and 4 Pounders, and 120 Men; that they were taken 5 Days after the Privateer failed from Martinico, who a few Days after also took a Vessel of and for Rhode-Island from Tenerisse, in Latitude 37. She also brought to a Vessel bound to New-York, that had been taken and ransomed, but on the Captain's producing the Ransom Bill, she was dismissed, after having the above Men, and a Number of Prisoners, put on board her. This Privateer was seen by the above Men Yesterday se'nnight, off Long-Island, and were defigned for Egg-Harbour to Water, as they were in great want thereof.

There were several Pilots on board the Privateer who were well acquainted with the Coast, and intended to cruize there for some Time.

NEW-YORK, September 21. Part of a Letter from London, daied July 14. "Peace is in every Body's Mouth; but such "Preparations for War were never made before."
The Harriot Snow Packet Boat may be looked

for in about a Week or a Fortnight, with the August Mail, when, in all Probability, we shall have our Doubts cleared up with Regard to Peace or

We can affure the Public, that the famous Monfieur Chatteleau, who formerly fcoured the Coast of North-America, sailed from Cape-Francois in the Month of August last, for Old France, with his Wife and Family, in a small Marblehead

Schooner, without a Gun, loaded with Coffice and

Indigo.
PHILADELPHIA, September 24. Saturday last arrived here the Ship Nancy, Cart Rooke, from Barbados. On the 10th Inflant Captain Rooke fpoke with Capt. How, from Glafett for Virginia, who had been out five Weeks that Day, and informed him there was no Profess of

By Capt. Saunders from Faro we have Advice that Capt. Porter, in an English 80 Gun Ship, had blocked up in Cadiz, for five Weeks, two Freed Men of War, viz. the Achilles, of 64 Guns, and the Buffoon, of 36: That at last they escaped, and, after being out about 12 Days, fell in wit two English Men of War about the 16th of Jely, who sunk the Bussion, and took the Achilles, and carried her into Gibraltar.

The Ship Brothers, Capt. Blair, belonging to this Port, bound from Jamaica to London, was taken on her Passage, and ransomed for 40001. Sterling.

Extract of a Letter from Charles-Town, in South-Carolina, dated Sept. 5.
" On the 28th ult. the Cherokee Headmen and

Warriors arrived at Col. Grant's Head Quarter, and we look daily for Accounts of a Peace, which is ardently wished for by all.—The Country is greatly exhausted, and most of the Back Sense. ments deserted, which a Peace will soon re-senle. The North-Carolina Forces are arrived at Salida. ry, in Rowan County, in order to join Col. Byrd." ANNAPOLIS, Odober 1.

Saturday last his Excellency our Governor was pleased to Issue his Proclamation Dissolving the General Assembly of this Province.

And the same Day Writs were Issued for Calling a New One, to meet here on Tuesday the 17th of November.

We are informed, by a Schooner from Virginia, That the Man of War, with the Convoy under his Care, were not fail'd from thence on Saturday last, the Winds having been unfavourable era fince the 20th of the Month, and, 'tis thought, they are not yet fail'd.
